Dancing Lights

Bard Cantrip Evocation DC 13 Spell Mod +5

1 Act. 120 ft V,S,M Conc, 1 min

A bit of phosphorus or wychwood, or a glowworm

You create up to four torch-sized lights within range, making them appear as torches, lanterns, or glowing orbs that hover in the air for the duration. You can also combine the four lights into one glowing vaguely humanoid form of Medium size. Whichever form you choose, each light sheds dim light in a 10-foot radius. As a bonus action on your turn, you can move the lights up to 60 feet to a new spot within range. A light must be within 20 feet of another light created by this spell, and a light winks out if it exceeds the spell's range.

Vicious Mockery

Bard Cantrip Enchantment DC 13 Spell Mod +5

1 Act. 60 ft V Inst

Choose a creature you can see. If it can hear you, it must pass a Wisdom save or take 1d4 psychic damage and have disadvantage on its next attack roll before the end of its next turn.

The damage increases by 1d4 when you reach 5th, 11th, and 17th level.

Cure Wounds

Bard Level 1 Evocation DC 13 Spell Mod +5

1 Act. Touch V,S Inst

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

Disguise Self

Bard Level 1 Illusion DC 13 Spell Mod +5

1 Act. Self V,S 1 hr

You make yourself—including your clothing, armor, weapons, and other belongings on your person look different until the spell ends or until you use your action to dismiss it. You can seem 1 foot shorter or taller and can appear thin, fat, or in between. You can't change your body type, so you must adopt a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you. The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. If you use this spell to appear thinner than you are, the hand of someone who reaches out to touch you would bump into you while it was seemingly still in midair. To discern that you are

Heroism

Bard Level 1 Enchantment DC 13 Spell Mod +5

1 Act. Touch V,S Conc, 1 min

A willing creature you touch is imbued with bravery. Until the spell ends, the creature is immune to being frightened and gains temporary hit points equal to your spellcasting ability modifier at the start of each of its turns. When the spell ends, the target loses any remaining temporary hit points from this spell. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

Calm Emotions

Bard Level 2 Enchantment DC 13 Spell Mod +5

1 Act. 60 ft V,S Conc, 1 min

You attempt to suppress strong emotions in a group of people. Each humanoid in a 20-foot-radius sphere centered on a point you choose within range must make a Charisma saving throw; a creature can choose to fail this saving throw if it wishes. If a creature fails its saving throw, choose one of the following two effects. You can suppress any effect causing a target to be charmed or frightened. When this spell ends, any suppressed effect resumes, provided that its duration has not expired in the meantime. Alternatively, you can make a target indifferent about creatures of your choice that it is hostile toward. This indifference ends if the target is attacked or harmed by a spell or if it witnesses any of its friends being harmed. When the spell ends, the creature becomes hostile again, unless the GM rules otherwise.

Enhance Ability

Bard Level 2 Transmutation DC 13 Spell Mod +5

1 Act. Touch V,S,M Conc, 1 hr.

Fur or a feather from a beast

You touch a creature and bestow upon it a magical enhancement. Choose one of the following effects; the target gains that effect until the spell ends. Bear's Endurance. The target has advantage on Constitution checks. It also gains 2d6 temporary hit points, which are lost when the spell ends. Bull's Strength. The target has advantage on Strength checks, and his or her carrying capacity doubles. Cat's Grace. The target has advantage on Dexterity checks. It also doesn't take damage from falling 20 feet or less if it isn't incapacitated. Eagle's Splendor. The target has advantage on Charisma checks. Fox's Cunning. The target has advantage on Intelligence checks. Owl's Wisdom. The target has advantage on Wisdom checks. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each

Lesser Restoration

Bard Level 2 Abjuration DC 13 Spell Mod +5

1 Act. Touch V,S Inst

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

		Disguise Self *(reverse)* disguised, a creature can use its action to inspect your appearance and must succeed on an Intelligence (Investigation) check against your spell save DC.
		Enhance Ability *(reverse)* slot level above 2nd.
