CHARACTER APPEARANCE

Vixen, his fox companion, magically enhanced through his ranger features

NAME

SYMBOL

ALLIES & ORGANIZATIONS

Scrap was forged with magic and metal as a mindless puppet with the purpose of chopping trees in the forest. One day, as he was cutting down a tree, a branch broke off and fell on his head. When he woke up, he had gained his own consciousness. He did not know how it happens. As he looked at his surroundings he saw a fox watching him. After spending some time around the fox, he befriended it. The fox followed him everywhere, as if there was some kind of connection. Scrap decided he was done hanging around the forest and wanted to explore the world, and so he did, along with his companion Vixen.

CHARACTER BACKSTORY

Sentry's Rest. When you take a long rest, you must spend at least six hours in an inactive, motionless state, rather than sleeping. In this state, you appear inert, but it doesn ’ t render you unconscious, and you can see and hear as normal.

Constructed Resilience. You were created to have remarkable fortitude, represented by the following benefits:
You have advantage on saving throws against being poisoned, and you have resistance to poison damage.
You don ’ t need to eat, drink, or breathe.
You are immune to disease.
You don't need to sleep, and magic can't put you to sleep.

Integrated Protection. Your body has built-in defensive layers, which can be enhanced with armor.
Gain +1 to AC
You can don only armor with which you have proficiency. To don armor, you must incorporate it into your body over the course of 1 hour, during which you must remain in contact with the armor. To doff armor, you must spend 1 hour removing it. You can rest while donning or doffing armor in this way.
While you live, your armor can't be removed from your body against your will.

Favored enemy: Undead; advantage on tracking and recalling information
Favored Terrain: Forest;

Fighting style: Defense; +1 to AC

Feat Observant: +1 to WIS, You can read lips if you can understand the language, +5 to passive perception and passive investigation.

ADDITIONAL FEATURES & TRAITS
